

Commissioning CA: Custom Paintings & Artwork Ref. Sheet

Please refer to this sheet for all information on custom paintings and artwork. Please then go to this link: (<https://constanne.com/commission-contact#commission-form>) on the website to fill in a few simple questions on the particular commission you would like made.

Process:

1. Please answer the questions on this link:(<https://constanne.com/commission-contact#commission-form>), for Constance Anne to learn more about the commission.
2. You will then receive a quote for you commission from Constance Anne via email. She will also ask any further questions based on the specifics of your piece.
3. A deposit of 20% of the total amount would then need to be paid through the link provided. Once the deposit is received Constance Anne will send through a start date based on her availability and then begin your commission piece.
4. You will be updated via email/ instagram on the status of your artwork. In general it takes 3-5 weeks (depending on size and complexity) to complete a commission.
5. Full payment is only taken after you have seen the completed work and you love it. On receipt of your payment, we will arrange for delivery of your artwork.

Delivery times may vary depending on the size and medium of the piece and the location. You will receive information on delivery estimates and updates directly on order via email.

In general a painting will require 1 working day of prep time to ready it for shipping, you will then receive an email to notify you that the painting is packed and ready for shipping. Our courier service will then deliver it to you, we always ensure the fastest delivery time is set for our courier. You will be updated directly via email on the order and delivery status by Constance and through tracking numbers with our courier.

For more information please contact via email (info@constanne.com).

General shipping times:

GB orders: 3-5 working days delivery

EU and international orders: delivery times may be slightly longer depending on location. You also may have to pay import taxes when on this item.
